A MESSAGE TO OUR CUSTOMERS

The Names of Certain MCI Corporate Entities Will Be Changing

As a reminder, as part of the process that began with MCI's successful emergence from bankruptcy last year, we will be changing the names of certain wholly-owned subsidiaries of MCI, Inc.

Pending the approval of various state regulatory authorities, MCI WORLDCOM Network Services, Inc. will be known as MCI Network Services, Inc. We expect these approvals to be in place by September 30, 2005, and the change in name will become effective for all purposes on or about that time.

Any existing contractual or other business relationship that you have with MCI WORLDCOM Network Services, Inc. will be completely unaffected, as this is a change in the name of a particular corporate entity only. The company is, and will remain, a wholly-owned subsidiary within the MCI corporate family.

This change will not affect your MCI products, rates, discounts, or any other aspect of your MCI service, although you may notice the change of legal name in certain sections of your MCI invoice after September 30.

Thank you for being a valued MCI customer.

We appreciate your business.
